

APPENDIX A) BASQUES HARDWOOD CHARCOAL FSC POLICY

Basques Hardwood Charcoal commits itself to implement its best efforts and do all necessary follow ups in order to avoid purchasing, transforming or selling wood products or fibre coming from the categories listed below:

- A) Illegally harvested wood ;
- B) Wood harvested in violation of traditional or civil rights ;
- C) Wood harvested in forest where high conservation values are threatened by management activities;
- D) Wood harvested in forests being converted to plantation or non forest use ;
- E) Wood from forest in which genetically modified trees are planted.

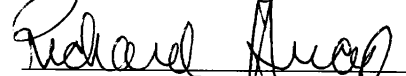

With that, on this 19th day of July 2011, Basques Hardwood Charcoal managing team commits itself :

President, General Manager

Lumber sales Manager

Finances Manager
